

WELA NON-MEMBERSHIP ATTENDANCE POLICY

The Wisconsin Environmental Laboratories Association, Inc. (WELA), among its many objectives disseminates information and solicits speakers in interpretation of regulations, methods, etc affecting member laboratories.

Therefore, WELA incorporates the following non-membership attendance policy:

- (1) Instrument manufacturers, vendors, salesmen, etc. are prohibited from attending WELA meetings unless invited as a guest speaker;
- (2) Individuals not affiliated with an organization as defined under Article III of the Constitution are prohibited from attending WELA meetings; and
- (3) Non-member representatives of an organization meeting the criteria under Article II of the Constitution may attend one meeting at the invitation of a member organization. Membership will be required thereafter.
